**A Complete Online Library for
All Your Bank Training Needs.**

BankTrainingOnline™ is a complete online library of bank training courses uniquely customized to incorporate your terminology and logo so that they have the look and feel of your very own training program. Loaded with enhanced graphics, animations and special effects, these online courses engage and involve trainees to increase retention and performance.

Not only are the BankTrainingOnline™ courses the most engaging courses you can find, they are also the most inexpensive on the market! SAVE HUNDREDS of training dollars by purchasing an annual subscription with unlimited access for all your employees. Included with your annual subscription, you receive customizable study guides for EACH of the courses on your course menu!

Courses are updated regularly to reflect changes in the financial world as well as new and improved training techniques and can be blended with your current training program or used as stand alone products.

BankTrainingOnline™ allows you to...

Pick

...as many or as few courses from TRC Interactive's online library of bank training courses

Create

...your own unique online menu and password

Customize

...each course to reflect your terms and identity

Provide

...an interesting and interactive course experience for your learners

Measure

...each student's learning with randomized questions

Analyze

...all results and sort by branch, person, course, or date from your special Administrator's menu... also compatible with available Learning Management Systems

Save

...substantial training dollars... less than \$20 per course per user with no required subscription or long-term contracts

Join the banks that are spending less time and money to train their staff more consistently!
